**The Seat For Life Scheme will help the club install a seated stand on the school side of New Central Park, we anticipate the works to begin summer 2017 but this may change with planning etc.*

All Seat For Life Members will get into the seated stand and to their seat for every single match at New Central Park, other clubs charge an additional cost of at least £2 to sit in their enclosures. You will have your name on your seat for life which can be used by friends and family in your absence or can be passed onto NOK. There will be disabled access & seating also in the stand. All members will get a Seat For Life Certificate emailed and posted to them with their Seat For Life Membership Card.

**Please note the SFL doesn't include match admission, most clubs charge extra to get in their Seated Stand by purchasing your SFL this excludes you from this and guarantees your chosen seat without charge that can be passed on to NOK.*

ALL monies for this project will be kept in a secure club bank account used solely for the Seat For Life, if for any reason the project doesn't go ahead due to planning or any other reason ALL monies will be returned within days of the decision.
